While this method is not ideal, this method keeps aggregate sites off my butt (for the time being at least).

By Sura's Place

..... Time to tidy up.

What is he looking at me for ...

Ugh, he is coming this way.
Go away !

< Careful >

< Careful >

< Slowly >

* From Cat's point of view *

He is trying to kill me!!!

Ah ....

Maybe he doesn't like me .....

<Slam!>

Hmph...,
I won.

I am challenging again. I am not going to lose.

< Carefully >

Ack !!!
My head !!!

A minute later.

Here I come !

Ack, my leg !

Again !

Ack !

Again !

Persistent bastard ...

Where is he getting those stuff from by the way ...

Appeared out of nowhere, an apartment guard ...

Is that cat yours ?

No ....

There has been numerous complaints regarding torn-off garbage bags.

That must be the one doing it.
Go away.

Sigh..., he wants to get rid of me everytime he sees me...

But this is the spot I meet with Sim-He, so, don't blame me too much, guardman.

Are you ... harassed like this ... every day ?

Do you ....

.... Do you want to live with me ?
